

# DELPHI SURVEY RESULTS

## ISSUE 5.2:

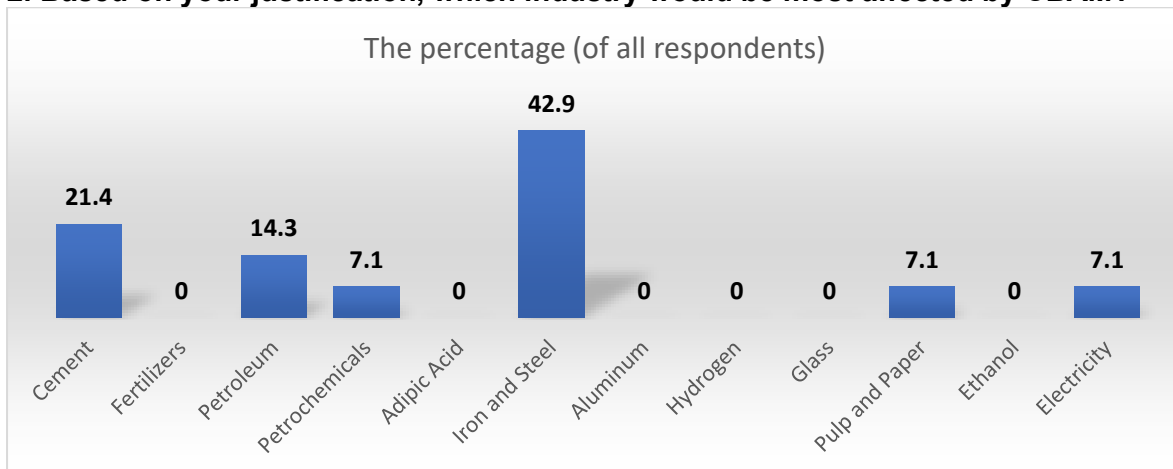

### CROSS BORDER ADJUSTMENT MECHANISM (CBAM)

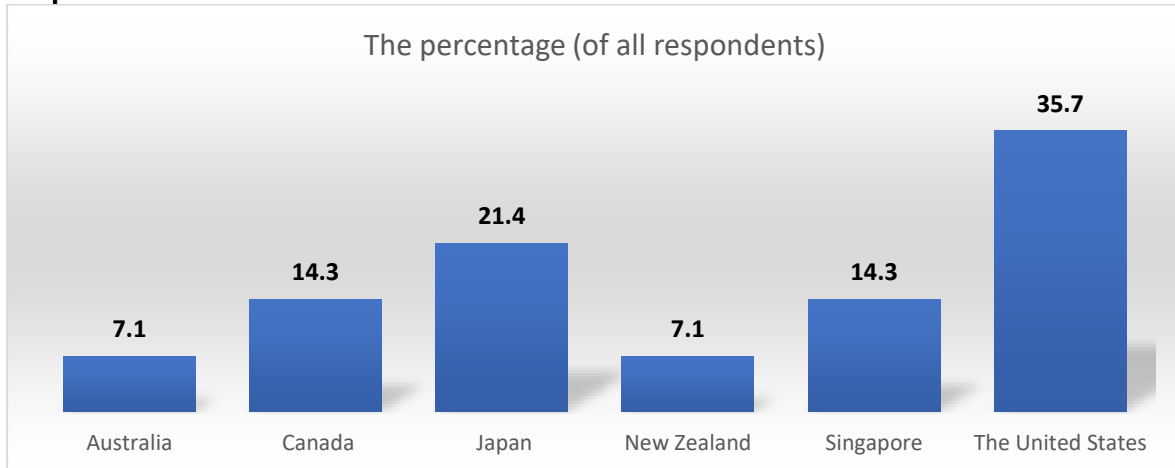

#### 1. At what level would CBAM affect APEC economies when it comes to full implementation?

#### 2. Based on your justification, which industry would be most affected by CBAM?

**3. Based on your justification, which APEC economy has the most effective policies in response to CBAM?**

**4. Based on your justification, which country outside APEC has the most effective policies in response to CBAM?**

Finland	I am not sure about the data, but the educational strength has shown robust results.
United Kingdom	NIL

**5. Based on your justification, what is the likelihood of CBAM to lead to a global carbon market?**
